# The Dessert Dash

Put on your running shoes! If you want the best dessert in the house, you'll need to be highest bidder and run for it quick! Be sure to check out the desserts before dinner so you know which one your table wants.

## **Here's how the Dessert Dash works:**

Each table will have a bid form for dessert. Interested bidders simply write their bid number and the amount they would like to contribute towards the table's dessert on the form. The table with the highest total bids will select their choice of dessert first. The next highest total bid will choose next and so on, until the lowest bid chooses last. Make sure your table gets a decadent dessert by bidding high!

## From the Principal

February 27, 2010

Dear Gregory Community,

Thank you for attending tonight's 2010 Gregory Heights Auction! Your participation in this exceptional event demonstrates your commitment to keep Gregory Heights as a distinguished school in the Highline School District. The financial support Gregory Heights receives from tonight's event allows our students access to the finest enrichment educational opportunities in the Seattle area.

As Principal of Gregory Heights, I am keenly aware of our unique nature as a "community school" in today's educational system. A community school supports all families, going above the limits of state and local funding; contributing to PTSA ensures more students have an opportunity for a quality learning experience. Meeting our student's educational needs should be our top priority, even during difficult economic times. Thanks to your generosity, we are closer to our goal of preparing each student for College, Career, and Citizenship.

I would like to acknowledge the hard work and dedication of our Better Together Auction Co-Chairs, Paula Keeney and Laren Watson. Paula and Laren have spent countless hours helping this evening become a reality. A big thanks to them and to all of our PTSA members who help us realize we are "Better Together".

Enjoy your evening!

Phil Robinson, Principal  
Gregory Heights Elementary

# Auction Rules

Doors Open At 5:00pm to give bidders an opportunity to view all items and start to bidding.

1. Each guest will be given a bid card (couples will each receive a card, but have the same bid number). To bid in the Silent Auction, simply write down your bid number on the silent auction bid form. To bid in the Live Auction, hold your bid card up high with the number towards the auctioneer.

2. A bid acknowledged by the Live auctioneer is a legal contract to purchase the item. As well, in the Silent Auction, designation of the bid you have written by the silent auction official as the top bid, is a legal contract to purchase that silent auction item.

3. Auction items will be awarded to one purchaser only. Though you may be "sharing" or "going-in" an item, the top bid amount of an auction item cannot be split among bidders who may have agreed to pay a portion of the top bid amount.

4. All sales are final and there will be no exchanges or refunds on items unless otherwise noted.

5. The purchaser assumes the responsibility to locate and remove purchases from the auction site. Winning items from the silent auction may be picked up directly at each table by confirming your winning bid number with a silent auction volunteer, gift certificates for services may be picked up in the bank area. All items must be removed from the auction site the night of the auction unless other arrangements have been made.

6. Reservations for trips and vacation accommodations must be mutually arranged with the donor unless otherwise noted.

7. Please check all certificates for expiration dates or restrictions.

## **Silent Auction**

1. All silent auction items have a bid sheet placed near the item. To bid on an item, write your bid number legibly in the column. Illegible bid numbers will have to be rejected. The opening bid and subsequent minimum bid raises are predetermined.

2. If a person chooses to place a bid number in the "Purchase Guaranteed" box.... they own this item.

3. Other than Purchase Guaranteed items, all other items may be bid on until tables are officially closed at the times indicated on the table. Winners bid numbers will be circled on the bid sheet by the appointed silent auction volunteers.

## **Live Auction**

1. Please feel free to come right up to the display of live auction items, but please do not touch. Remember to note all restrictions and/or limitations.

# Express Auction Checkout

## Payment

### 1. "Express Checkout"

Simply present your credit card when you arrive and register. You will sign the form, be given a bid number and this is all you need for the evening! The number can be used for purchasing drinks at the bar, chances in the raffle and all of our auction items. If you make no purchases, your original credit card form will be shredded. We will send you your certificates and a copy of your receipt in the mail by the following Monday after the auction. There is no need to go back to the bank at the end of the evening unless you would like to pick up your purchased certificates! **YOU STILL MUST TAKE HOME ALL TANGIBLE ITEMS!**

2. Payments for items may also be made in cash or by check and can be made at the cashier anytime during the evening. Your payments that exceed the value of the item are tax deductible as a charitable contribution only to the extent allowable by law. Gregory Heights PTSA is a 501(C)(3) Organization.

## Liability Statement

The Auction Committee has attempted to correctly describe and catalog all items, but all items are offered "as is." The auction committee and Gregory Heights PTSA neither warrants nor represents the correctness of the description, genuineness, authorship, or condition of the property. No statement contained within this catalog or made orally at the sale or else where shall be deemed such a warranty or assumption of liability. Estimated values are represented by the donor.

8. "Colorful Circles" Watercolor Paintings on Canvas by Mr. Meyer's 1st Grade Class

If you love color, this is the art piece for you. The children were free to pick out any colors their hearts desired and even mixed their own colors. Then, these colorful pieces were transferred onto a large 24" x 36" canvas and protected with clear acrylic paint. Piece may be hung horizontally or vertically and is sure to fit in anyone's home; canvas can be framed. Student names are signed on the sides of canvas in order of artwork. There are three mystery circle compositions. Hint: One is Mr. Meyer's.
